About FERMA CABINETRY

 FERMA CABINETRY is kitchen cabinetry manufacturer and distributor located at Edison, New Jersey. It is a trusted brand expanded from FERMA FLOORING, a company carrying out and distributing nationwide variety of flooring, such as hardwood flooring, luxury vinyl flooring and laminate flooring with over 23 years of experience in the flooring industry and a strong reputation for quality, reliability and customer service since the year 2002. Building on its success in flooring, FERMA FLOORING has expanded into the kitchen cabinetry business with the same commitment to excellence under the name of FERMA CABINETRY.

Why Choose FERMA CABINETRY?

Premium Quality Materials – FERMA CABINETRY uses high-grade solid wood and superior craftsmanship to ensure long-lasting performance.

Elegant & Versatile Designs – FERMA CABINETRY offers a variety of styles, finishes, and colors to complement different kitchen aesthetics, from classic to modern.

Affordability & Value – FERMA CABINETRY provides cost-effective cabinetry without compromising on quality, making beautiful kitchens accessible to more end users.

Durability & Functionality – FERMA CABINETRY designs its cabinetry with durability and convenience with user-friendly features like soft-close drawers, spacious storage, and durable hinges.

Trusted Brand Backed By Experience – With FERMA FLOORING'S long standing industry and customer service's expertise, customers can trust the same level of excellence in FERMA CABINETRY.
