About FERMA CABINETRY

 FERMA CABINETRY is kitchen cabinetry manufacturer and distributor located at Edison, New Jersey. It is a trusted brand expanded from FERMA FLOORING, a company carrying out and distributing nationwide variety of flooring, such as hardwood flooring, luxury vinyl flooring and laminate flooring with over 23 years of experience in the flooring industry and a strong reputation for quality, reliability and customer service since the year 2002. Building on its success in flooring, FERMA FLOORING has expanded into the kitchen cabinetry business with the same commitment to excellence under the name of FERMA CABINETRY.

FERMA CABINETRY provides premium kitchen cabinets, meticulously designed to meet the unique needs of homeowners, contractors, and designers. Combining enduring durability, intuitive functionality, and contemporary aesthetics,

FERMA CABINETRY solutions transform kitchens into spaces of beauty and practical efficiency.

Why Choose FERMA CABINETRY?

Premium Quality Materials – FERMA CABINETRY uses high-grade solid wood and superior craftsmanship to ensure long-lasting performance.

Elegant & Versatile Designs – FERMA CABINETRY offers a variety of styles, finishes, and colors to complement different kitchen aesthetics, from classic to modern.

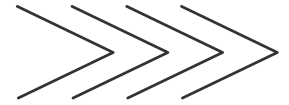

Affordability & Value – FERMA CABINETRY provides cost-effective cabinetry without compromising on quality, making beautiful kitchens accessible to more end users.

Durability & Functionality – FERMA CABINETRY designs its cabinetry with durability and convenience with user-friendly features like soft-close drawers, spacious storage, and durable hinges.

Trusted Brand Backed By Experience – With FERMA FLOORING'S long standing industry and customer service's expertise, customers can trust the same level of excellence in FERMA CABINETRY.

FERMA CABINETRY is committed to bringing customers exceptional cabinetry solutions that enhance both the functionality and elegance of their kitchens. Whether remodeling or designing a new space, FERMA CABINETRY delivers high-quality, stylish, and affordable options to bring your vision to life.

OUR VISION & MISSION

At FERMA CABINETRY, we will dedicate ourselves to delivering exceptional cabinetry solutions that seamlessly blend functionality and elegance to every kitchen. Whether you're remodeling a cherished space or crafting a new one from scratch, we offer stylish, high-quality cabinetry at accessible prices—luxury and affordability can coexist. Our commitment to craftsmanship ensures your vision is transformed into a kitchen that inspires daily life.

- **Craftsmanship Excellence:** Providing meticulously crafted cabinetry using high-quality materials and innovative techniques.
- **Customer Satisfaction:** Ensuring customers to receive the best service.
- **Innovation & Design:** Continuously improving our designs, materials, and manufacturing processes to meet modern kitchen trends and customer needs.

General Policy

A. DELIVERY CHARGES

1. For Assembled Cabinets

To store/warehouse: 6% of the invoice amount. Minimum charge is \$149.00 and Maximum charge is \$199.00
To job site, additional: \$75.00 (garage delivery only).

Special Promotion for Delivery: \$99.00 to store, warehouse & \$129.00 to job site (curb site only) within a 100-miles radius from FERMA DISTRIBUTION WAREHOUSE at 83 Mayfield Ave, Edison, New Jersey 08837. It is effective now until June 30, 2025.

2. For Unassembled Cabinets (Flat Pack)

To store/warehouse/job site (curb site only): \$99.00

Above rate is only applied to deliveries located within a 100-miles radius from the FERMA distribution warehouse. For other shipping rates outside of this area, please call for freight rates quotation.

B. LEAD TIME

5-10 working (business) days from date of order confirmation:

ORDER INSTRUCTION

A. TO PLACE AN ORDER

1. Orders may be placed using the order forms provided by FERMA CABINETRY.
2. All pages must be properly filled in when the orders are placed.
3. Specify shipping method (delivery or pick up), purchase order number and requested ship date.
Assembled orders are normally ready to be shipped or picked up within 5-10 days of order confirmation.
4. If the order is to ship to a job site, then it must be noted as so along with a telephone number and contact person. Additional charges may apply.
5. FERMA CABINETRY schedules orders on a first-in-first-out basis, according to your requested shipping schedule. If you foresee that you will have more than one order, it would be best to batch your orders and then send them in at one time.
6. Rush orders may incur additional charges.
7. Pricing does not include freight. Contact your customer service representative for freight pricing for your area.
8. Please allow additional business days for completion of orders made with custom options and/or modifications.
9. Orders not picked up after four weeks will be stored at the dealers' expense

B. ORDER PROCESSING

1. FERMA CABINETRY will e-mail or fax an Order Confirmation you. If you do not receive an Order Confirmation within 6 hours of order placement, please contact us.
2. Customers are responsible for order accuracy and should sign an email or fax the Order Confirmation back to FERMA CABINETRY. Orders will not be processed until a signed Order Confirmation is received.

C. SHIPPING SHORTAGES & DAMAGES

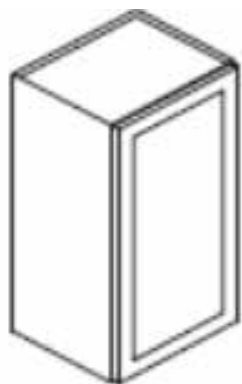

Order shortages such as missing items and/or any visible shipping damages must be noted on the shipping receipt and signed by both the driver and the recipient. It is the customer's responsibility to notify FERMA CABINETRY of any such issues within 24 hours of accepting the delivery. Any orders accepted and signed by the customer without any such note will be considered complete. All other shipping damages must be claimed by the customer within 5 days. All items that have been installed and/or are not in their original packaging cannot be claimed damaged.

Terms and Condition of Sale

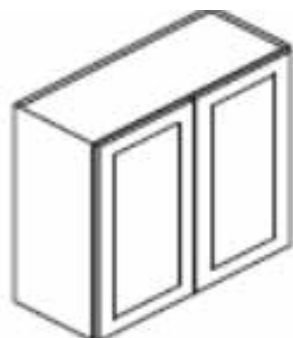

1. The sales order WILL NOT be processed until it is signed and received by FERMA CABINETRY. The customer's signature on the sales order indicates that the order information is accurate and confirmed and approved by the customer for intended purchase/shipment. If the customer makes revisions, a signature is required on the revised order confirmation. Until it is confirmed and approved with the customer's signature, the sales order is to be treated as a quotation ONLY, which does not hold inventory at all, and the items quoted may be unavailable after it. FERMA CABINETRY reserves the right to cancel, modify, or refuse any confirmed orders for any reason, with notice. FERMA CABINETRY is not responsible for any failed fax or emailed transmissions/transcription errors.
2. Any payment, acceptance of goods, and/or signature for the sales order indicates acceptance of all current warranties and policies and the terms and conditions set forth herein by FERMA CABINETRY
3. The customer fully understands and agrees that after the sales order is confirmed and approved by its signature, all possible return, changes or exchange, and cancellations (it is allowed within 30 days only, and the returned products must be in un-opened and resalable condition) would be subjected to 25% restocking fee; However, Any assembled, discounted, bulk sale, and display, or discontinued items CAN NOT be returned and is not refundable. Any damaged goods can be returned under the standard return policy for replacement. If shipped via a common carrier, any damage claim must be submitted to the carrier. Pick up, via freight, and pick up via ground orders are considered a transfer of possession within the state of New Jersey.
4. If returns/ cancellations are accepted, all payment made for this sales order could be refunded, with deducting any restocking fee, but it is for store credit ONLY. The customer is responsible for return shipping if the return is not due to the fault of FERMA CABINETRY.
5. The sales order must be confirmed and approved by the customer signature and submitted to FERMA CABINETRY. Any returned check service fee is to be \$50.00. Any order held past its original scheduled shipping date would be subjected to a storage fee of \$35.00/day for additional storage, and the order would be cancelled after 45 days, and all payment made for this order is NOT refundable.
6. The freight quoted for the sales order is based on estimated weight and freight quote by the carrier on date of quotation, and it may not reflect actual freight charged by the carrier on pick up date. The customer is to be responsible for any and all variations in freight, including refusal of goods, storage or missed delivery charges by carrier.

OUR COMMITMENT TO SUSTAINABILITY & ENVIRONMENTAL RESPONSIBILITY

 FERMA CABINETRY provides high-quality kitchen cabinetry while upholding a strong commitment to sustainability and environmental responsibility. As a brand of FERMA FLOORING built on over 23 years of excellence in the flooring industry, FERMA CABINETRY follows eco-conscious practices to ensure that its products contribute to a greener, healthier planet.

Eco-Friendly Materials – FERMA CABINETRY will carefully select sustainable wood sources and responsibly harvested materials to reduce environmental impact while maintaining high-quality craftsmanship.

Low VOC Finishes – FERMA CABINETRY's cabinetry will be finished with low-VOC (Volatile Organic Compounds) coatings to promote better indoor air quality and create a healthier home environment.

Sustainable Manufacturing Practices – FERMA CABINETRY will implement energy-efficient and waste-reducing manufacturing processes to minimize our carbon footprint.

Durable & Long-Lasting Design – By creating cabinets that are built to last, FERMA CABINETRY will help to reduce waste and encourage long-term sustainability through durable, high-quality craftsmanship.

Eco-Conscious Packaging – FERMA CABINETRY will prioritize using recyclable and eco-friendly packaging materials to minimize waste and promote responsible consumption.

FERMA CABINETRY is committed to combining style, functionality, and sustainability to help homeowners create beautiful kitchens while making environmentally responsible choices. With its dedication to green initiatives, FERMA CABINETRY aims to contribute to a better future for our customers and the planet.

FERMA CABINETRY's manufacturer has been assessed and certified as meeting the requirements of ISO 9001:2015. Additionally, all plywood or medium-density fiberboards used for FERMA CABINETRY's products comply with USEPA, CARB, and CARB II standards.

LIMITED LIABILITY WARRANTY

This warranty is effective on all cabinets under the brand name of FERMA CABINETRY that are distributed by FERMA CABINETRY in the United States. This warranty is subject to all limitations, exclusions, disclaimers and procedures set forth herein, and it is for residential use only, and does not cover or apply for commercial applications or rental multi-family dwellings.

FERMA CABINETRY, warrants its cabinetry ("the Products or the Cabinets") to be free of manufacturer defects for five (5) years from the date of purchase by the original purchaser if the products are in stained finishes, but products with painted finishes are limited to two (2) year warranty, or as long as the original purchasing consumer owns the home, whichever is less, against avoidable and unnatural defects in material and workmanship under normal use.

This limited warranty applies to domestic use only, is non-transferable, and proof of purchase is required.

This warranty does not cover the products that have been misused, mishandled, abused, improperly stored or installed, modified or subject to excesses of moisture or extreme temperatures, accidents, negligence, on-site alterations, improper storage, defective installation, or normal wear and tear. The products must be used exclusively for their intended purpose to be covered by this warranty. This warranty shall become void if the products are modified in any way, improperly installed or damaged prior to or during installation, or installed or utilized in other than normal residential applications.

This warranty does not include or not cover the cost of installation, removal, subsequent damage or transportation of the defective product, regardless of whether work was performed by a contractor, service company, or homeowner or any other end user.

This warranty does not apply to any other products used in conjunction with the products (cabinetry), such as, but not limited to flooring, countertops, appliances, or plumbing fixtures.

The obligation of FERMA CABINETRY, under this warranty shall be only limited to the repair or exchange of any part or parts that the products deem prove defective under normal use and service within the warranty period. If a defect does occur within the terms and conditions of this warranty, such defective part will be repaired or replaced by FERMA CABINETRY at its sole discretion. FERMA CABINETRY will not provide or pay for the cost of removal of defective products, transportation of defective, repaired or replaced products or installation of repaired or replaced products. FERMA CABINETRY will not be responsible for any shipping damage to the defective, replaced or repaired product. The product line and specifications of the products may periodically be changed or discontinued. If defective items have been discontinued or is not available at the time, FERMA CABINETRY reserves the right to replace the item with the most similar item available in its inventory at that time.

Some replacement parts are subject to availability, and they may differ from those originally supplied. FERMA CABINETRY cannot guarantee that the finish of any replacement will exactly match the finish and appearance of the defective item due to the natural aging process of wood and finishes of the cabinets. Accordingly, FERMA CABINETRY will NOT be held responsible for replacing products that may not exactly match installed products.

The cabinets are constructed from several pieces of solid wood and wood veneers on plywood. Differences in grain pattern and color should be expected. Wood characteristics naturally occurring such as variations in color, grain, mineral streaks and knots, are not considered defects. Color variations and color softening in cabinets are a natural occurrence due to wood species, age, character of cabinets, and exposure to UV light and sunlight. For these reasons, new and/or replacement cabinets may not match display samples and/or existing cabinets. Therefore, such variations and changes are NOT considered defects.

This warranty applies only to defects and does not apply to the yellowing and aging of any wood product. The cabinets are wood products. Extreme conditions will cause any wood product to respond adversely (high/low humidity, temperature, etc.) and this warranty does not apply to cabinetry exposed to extreme conditions. Mitered door joints are more likely to react to conditions of their environment. Gaps that may develop in door joints due to conditions of their environment are not subject to replacement under this warranty. Painted finishes reacting differently than stained finish with normal wood movement and climatic conditions, may result in breaks in finish, recesses, and joint and panel lines. These features are considered normal occurrences and not covered under this warranty.

Wood by nature will undergo expansion and contraction movements year after year as it compensates and adjusts to ever changing atmospheric humidity and temperature conditions. It is common for center panels on doors to shrink, expand or move during these transitions. Typically, the panel will return to its normal position within a year once it has adjusted to seasonal changes. It is for these same reasons that it is common for doors to warp during these periods. Therefore, doors that are warped in either direction not exceeding one-quarter inch (1/4") do not exceed normal material expectation and they are not covered under the terms of this warranty.

Warranty claims are only filed with FERMA CABINETRY by dealer or distributors from whom the products were purchased. To submit a warranty claim, the original purchaser must contact FERMA CABINETRY's dealer or distributor where the product was purchased. The independent dealer or distributor will obtain the information necessary to make a claim decision and forward such information in writing to FERMA CABINETRY for action on the claim.

This writing is the complete and exclusive statement of the express warranties provided herein and is in lieu of all other express and/or statutory warranties by the manufacturer, to the extent provided by law. There are no implied warranties extending beyond the terms of this warranty. FERMA CABINETRY shall not be liable for any incidental or consequential costs, expenses or damages.

KITCHEN CABINETS MAINTENANCE GUIDELINES

Thank you for choosing FERMA CABINETRY for your kitchen! FERMA CABINETRY's solid wood framed cabinets are built to last, but proper maintenance will ensure they remain beautiful and functional for years to come. Follow these guidelines to care for your cabinets effectively.

Daily Cleaning & Care

- **Dust Regularly:** Use soft and dry microfiber cloth or slightly damp cloth to remove dust.
- **Wipe Spills Immediately:** Water, oil, and food spills should be wiped off promptly to prevent stains and damage to the wood.
- **Mild Soap Cleaning:** For routine cleaning, use a damp cloth with mild dish soap. Wipe dry with soft cloth immediately.
- **Avoid Abrasives:** Do not use harsh chemicals, scouring pads, or abrasive cleaners as they can scratch or damage the finish.

Deep Cleaning & Stain Removal

- **Grease Buildup:** Use a mixture of warm water and mild dish soap to remove grease from cabinet surfaces. Rinse with a damp cloth and dry immediately.
- **Stubborn Stains:** For tougher stains, use a solution of equal parts vinegar and water. Apply lightly, then wipe dry. Avoid excessive moisture.
- **Glass Panels:** Use a glass cleaner applied to a soft cloth (not directly on the glass) to clean cabinet glass inserts.

Wood Protection & Preservation

- **Use Furniture Polish Sparingly:** Apply a high-quality furniture polish occasionally to enhance the cabinet's finish. Avoid wax-based polishes, as they can build up and dull the surface.
- **Protect from Heat & Moisture:** Keep cabinets away from excessive moisture, steam, and direct heat sources. Use range hoods when cooking to reduce humidity exposure.

Hardware Maintenance

- **Handles & Knobs:** Clean cabinet handles and knobs regularly with mild soap and water to prevent dirt buildup. Dry thoroughly to avoid corrosion.
- **Hinges & Drawer Slides:** Lubricate hinges and slides with a small amount of silicone spray if they become stiff or noisy.

Preventative Measures

- **Avoid Hanging Wet Towels:** Do not hang wet towels or dishcloths on cabinet doors as moisture can damage the wood and finish.
- **Use Cabinet Liners:** Place liners inside cabinets to protect against spills and scratches, especially for heavy cookware or pantry items.
- **Protect Against Sunlight:** Prolonged exposure to direct sunlight can cause discoloration. Use window coverings to reduce UV exposure.

Seasonal Care & Inspection

- **Check for Loose Hinges & Knobs:** Periodically inspect and tighten any loose hardware to prevent wear and tear.
- **Monitor Humidity Levels:** Keep indoor humidity between 35% and 50% to prevent wood expansion or contraction, which can cause warping or cracking.

By following these maintenance tips, your FERMA CABINETRY kitchen cabinets will remain in excellent condition for years to come. If you have any questions or need further assistance, please contact our customer support team.

Enjoy your beautiful kitchen!

FERMA CABINETRY SAMPLES DISPLAY PROGRAM

Display Rack + Sample Doors

Size: 17"W x 67"H x 31"D

Total of 5-8 samples doors: 15" W x 30"H
